Biotechgate/Venture Valuation partners with Taiwan BIO

Singapore / Taipei, June 2015 – Venture Valuation owned Biotechgate announces the partnership with Taiwan Bio Industry Organization to create a directory of Taiwanese Biotech companies. The database is the launch of a collaborative promotion of BIO Taiwan, one of the key Biotech and Life Sciences events in Asia.

The Taiwanese Biotech Directory (www.taiwanesebiotech.com and www.taiwaneseifesciences.com) are part of Biotechgate a global life science database, (www.biotechgate.com) which includes more than 35'000 company profiles. Thanks to a comprehensive search form and automated alerts, it allows users to seek for specific companies filtering by sectors, indications, product phase and many other categories.

Taiwan Bio Industry Organization is the Biotech Organisation of Taiwan with over 400 members. Taiwan Bio is also the organizer of the yearly Bio Taiwan (July 22 to July 26, 2015 in Taipei). The database for Taiwan is launched to promote the companies of Taiwan, to provide them a window to the world and allow foreign companies to see the diversity in Taiwan Biotech Industry. Bio Taiwan is an ideal place for overseas companies to meet with innovative companies.

“Taiwan is a key cluster in Asia and we are happy to be part of the global Biotechgate database. Our BioTaiwan annual event is an important gathering of key opinion leaders, innovative companies in the region and had become popular also with overseas organisations.” *Dr. Johnsee Lee, Honorary Chairman of Taiwan BIO and the Chairman of BioTaiwan 2015 Organizing Committee.*

“Increasing our Asian exposure has been key in the last 18 month and we are very happy to have one of the key Biotech clusters in the region as a partner. We are looking forward to participate in the BioTaiwan event this year in July. The database will help to provide foreign companies better access to innovation in Taiwan.” *Dr. Patrik Frei, CEO of Venture Valuation / Biotechgate, Singapore/Switzerland*

About us:

Biotechgate (www.biotechgate.com)

The Biotechgate Database is property of Venture Valuation AG, Switzerland. Biotechgate is a global Life Science Database containing over 35'000 company profiles and providing the user with information on life science companies, licensing products, financing rounds as well as key data on management structures and technology platforms. It also contains a database on licensing deals and associated financial information on individual deals.

Venture Valuation AG (www.venturevaluation.com)

Venture Valuation specializes in independent, third party assessment, valuation and monitoring of emerging life sciences companies (biotechnology, med-tech and pharma). Services are provided in the form of independent Valuation Reports to entrepreneurs (seed to pre-IPO) and investors. With offices in Switzerland (Europe), Canada (North America) and Singapore (APAC), Venture Valuation has an experienced team of scientists and business professionals with expertise in finance, biotechnology, pharmaceutical and high technology industries.

Taiwan Bio Industry Organization (<http://taiwanbio.org.tw/eng>)

Taiwan Bio Industry Organization (TBIO) was established in 1989, is the largest and the most influential biotechnology organization in Taiwan. TBIO represents over 400 members ranging from private companies and academic institutes to government bodies involved in the research and development of innovative healthcare, agricultural, industrial and environmental biotechnology. Our mission is to provide advocacy, business development and communication service for our members. TBIO organize the annual BioTaiwan event, one of the largest gatherings of biotechnology industry in Asia. BioTaiwan 2015 will be held July 22-26 in Taipei (www.bio-taiwan.com) with series of BioBusiness Asia Conference, Conference on Greater China Opportunities, Company Presentation and One-on-one Partnering, seminars and workshops and exhibition with over 600 companies.
